

Scarecrows 2022

Let's paint the town red!

Lots of time to prepare for making your Scarecrow. Carnival is back and we want to make a splash. The theme is red; big, bright and bold. You can be literal or cryptic it's up to you.

Rules.

We need to be able to see your creations: at least 1m tall, safely erected and visible from the pavement (unless you want people in your garden).

Appropriate for display (keep it PG please).

Your scarecrow needs to be up by 2nd July and for 2 weeks.

To enter print and fill in this form and return to 9 Green Bank, Simmondley or message the carnival Facebook page with the details below. You will receive a sign to display and your location will be on the Scarecrow Map.

Votes: must rank 1st, 2nd and 3rd, and can be cast on social media or via the trail map which will be available closer to the time. Winners will be announced on carnival day 9th July.

Thank you for being part of carnival 2022.
